The accompanying handbook takes viewers to the next step, providing sample cases & scenarios by which discussions on company & personal ethics can be conducted.	<i>Tape #</i> 100	20:50 min
Project Management: Handling Subcontractor Defaults What is "Default?", default avoidance, pre-qualifying and bonding subcontractors, pre-award meetings, watching for trouble signs, proper documentation, termination for convenience clauses, controlling the damage and having an action plan.	<i>Tape #</i> 081	13:00 min
Project Management: Introduction An overview with examples of the basic skills needed by a successful project manager. Significance of planning, scheduling, communicating, problem solving, documentation, & effective project closeout are highlighted.	<i>Tape #</i> 078	19:00 min
Project Management: Oral Communication Skills Topics include: Communication-What it is, How to Improve Listening Skills, Barriers to Listening, Components of Effective Speaking (Ethos-Pathos-Logos), & the Importance of Practice.	<i>Tape #</i> 083	22:00 min
Project Management: Preplanning Topics include: advantages & benefits, assigning key personnel, schedule development, brainstorming, budget/estimate review, procuring critical materials & material handling, equipment and personnel needs, production budgeting and preconstruction.	<i>Tape #</i> 079	15:00 min

To check out any of the listed videos, please contact the AGC of Iowa office. Videos are usually loaned for a period of two weeks, but arrangements can be made at time of loan for longer period.

Project Management: Project Closeout	Tape # 082	15:00 min
Closeout defined, the punchlist, what it is and is not, documentation, guarantees and warranties, maintenance manuals, as-built drawings, final payment collection, follow-up and customer relations.		
Project Management: Written Communication Skills	Tape # 084	24:00 min
Topics include: Why Written Communication is Important, 3 Techniques for Getting Started, the Building Blocks of Effective Writing (Who-What-Where-When-Why-How)		
Rebuilding America's Greatness: Building Tomorrow Together	Tape # 039	07:08 min
Road Construction Ahead (for kids)	Tape # 056	
Striving for the Best: Implementing TQM in a Construction Company	Tape # 099	13:17 min
The Business of Paradigms	Tape # 045	38:00 min
There Goes a Truck (for kids)	Tape # 059	
When You Have To Release An Employee	Tape # 057	14:00 min
Describes the challenges that every company faces. Explains the good habits that can help a company avoid losses. It provides a six-point checklist, and gives specific answers to several of the most common questions.		

Safety

A Firm Footing: Pile Driving Safety	Tape # 001	15:00 min
Describes several of the most common pile driving hazards & suggests protective measures for pile drivers & others.		
A Safe Span: Bridge Construction	Tape # 002	10:00 min
Provides bridge construction workers with basic information on common bridge construction hazards and protective methods.		
Avoid Hot Mix Hazards: Working Safely with Hot Mix	Tape # 005	12:00 min
Provides basic safety training to road construction workers exposed to hot mix hazards.		
Avoid the Heat: Fire Prevention in Construction	Tape # 006	15:00 min
Covers common fire hazards & fire prevention.		
Back to Basics: Back Injury Prevention	Tape # 007	18:00 min
Covers safe work practices for protection against back injuries.		
Breathing Easier: The Basics of Respiratory Protection	Tape # 055	15:00 min
Designed to provide workers with basic information needed to use respiratory protection safely.		

To check out any of the listed videos, please contact the AGC of Iowa office. Videos are usually loaned for a period of two weeks, but arrangements can be made at time of loan for longer period.

Chemical Safety	<i>Tape #</i> T-002	05:15 min
Clearing the Air: Confined Space Entry Discusses the potential dangers of confined space entry and shows how to enter confined spaces safely.	<i>Tape #</i> 011	18:00 min
Company ID Program on Preventing Loss from Theft: Las Vegas AGC	<i>Tape #</i> 026	
Compressed Gas Safety	<i>Tape #</i> T-003	04:53 min
Construction Equipment Maintenance	<i>Tape #</i> T-004	05:00 min
Controlling the Field: Jobsite Safety Inspection Gives guidance to construction contractors and supervisors regarding regular job-site safety inspections.	<i>Tape #</i> 014	16:50 min
Controlling the Load: Crane Rigging Safety Describes the basics of crane rigging safety	<i>Tape #</i> 015	14:00 min
Crane Signals	<i>Tape #</i> T-024	09:00 min
Crane Signals (Spanish Version)	<i>Tape #</i> T-024	09:00 min
Cut-Off Saw Safety	<i>Tape #</i> T-019	08:28 min
Drug Test: The Five Minute Challenge	<i>Tape #</i> 064	
Employee Accountability	<i>Tape #</i> T-023	06:17 min
Employee Accountability (Spanish Version)	<i>Tape #</i> T-023	06:15 min
Environmental Hazards in Construction	<i>Tape #</i> T-025	07:30 min

To check out any of the listed videos, please contact the AGC of Iowa office. Videos are usually loaned for a period of two weeks, but arrangements can be made at time of loan for longer period.

Excavations	<i>Tape #</i> 016	30:00 min
Exposing the Facts: Lead Exposure in the Construction Industry Describes how lead is used in the construction industry, its effect on the human body and how workers can protect themselves from over exposure.	<i>Tape #</i> 017	16:00 min
Eye & Face Protection	<i>Tape #</i> T-005	05:11 min
Eye & Face Protection (Spanish Version)	<i>Tape #</i> T-005	05:16 min
Fall Protection in the Construction Industry Resource to help you comply with OSHA's Fall Protection Standards for Construction	<i>Tape #</i> 009	20:00 min
Fall Protection in the Construction Industry (Spanish Version)	<i>Tape #</i> 009S	20:00 min
Fire Extinguisher Operation	<i>Tape #</i> T-006	05:48 min
Foot Protection	<i>Tape #</i> T-007	04:55 min
Gearing Up for Drug & Alcohol Testing (1994)	<i>Tape #</i> 063	
Getting the Job Done Safely Outlines safe construction procedures directed at new workers and provides refresher training for veterans.	<i>Tape #</i> 075	14:00 min
Getting the Job Done Safely (Spanish Video) Outlines safe construction procedures directed at new workers and provides refresher training for veterans.	<i>Tape #</i> 075S	14:00 min
Ground Fault: Circuit Interrupters	<i>Tape #</i> 019	11:00 min
Hand Protection	<i>Tape #</i> T-008	03:25 min
Handle With Care: Jobsite Hazardous Waste Safety	<i>Tape #</i> 098	16:42 min

To check out any of the listed videos, please contact the AGC of Iowa office. Videos are usually loaned for a period of two weeks, but arrangements can be made at time of loan for longer period.

Hazard Communication - The Message Is Safety This video, essential as an orientation for your construction workers, explains the Hazard Communication Standard	<i>Tape #</i> 021	14:00 min
Hazard Communication: The System that Works Explains the Hazard Communication Standards.	<i>Tape #</i> 021S	16:00 min
Head Protection	<i>Tape #</i> T-009	04:20 min
Hearing Protection	<i>Tape #</i> T-010	04:25 min
Highway Work Zone Safety - Grading (1997)	<i>Tape #</i> 070	14:00 min
Highway Work Zone Safety - Loading & Transporting Heavy Equip.	<i>Tape #</i> 093	11:08 min
Highway Work Zone Safety - Moving Operations/Maintenance Safety	<i>Tape #</i> 095	13:00 min
Highway Work Zone Safety - One Step From Death (1997)	<i>Tape #</i> 071	11:00 min
Highway Work Zone Safety - Paving Safety (1999)	<i>Tape #</i> 096	11:20 min
Highway Work Zone Safety - Plant Site Safety (1997)	<i>Tape #</i> 073	11:00 min
Highway Work Zone Safety - Professional Flagging (1997)	<i>Tape #</i> 072	47:00 min
Highway Work Zone Safety - Removal/Demolition Safety (1999)	<i>Tape #</i> 094	10:30 min
Highway Work Zone Safety - Structures (1997)	<i>Tape #</i> 069	12:00 min
Highway Work Zone Safety - Surveying Safety (1999)	<i>Tape #</i> 092	17:10 min

To check out any of the listed videos, please contact the AGC of Iowa office. Videos are usually loaned for a period of two weeks, but arrangements can be made at time of loan for longer period.

Highway Work Zone Safety - Traffic Control Safety (1997)	<i>Tape #</i> 074	11:00 min
Highway Work Zone Safety - Utility Safety in Work Zones (1999)	<i>Tape #</i> 091	14:20 min
Hot Work: Welding & Cutting Safety Video Working safely around welding and cutting operations.	<i>Tape #</i> 024	14:00 min
Just the Facts: Accident Investigation Guidance to construction contractors and supervisors regarding regular job-site safety inspections	<i>Tape #</i> 025	13:00 min
Ladder Safety	<i>Tape #</i> T-011	05:58 min
Laser Safety	<i>Tape #</i> 067	06:30 min
Lockout/Tagout Procedures (Department of Labor)	<i>Tape #</i> 027	22:00 min
Lockout/Tagout-Take Control (AGC of America) Shows the appropriate methods for locking-out and/or tagging-out stored energy so maintenance and repair work on machines, equipment and other energy sources can be performed safely.	<i>Tape #</i> 028	18:00 min
Make the Right Move: Materials Handling Safety Shows how to safely handle common construction materials and highlights materials handled improperly.	<i>Tape #</i> 029	14:00 min
New Give Em a Brake - Spots for AGC	<i>Tape #</i> 032	
On Solid Ground: A Plan for Safe Excavation & Trenching Covers optional methods of sloping, shoring, shielding and benching.	<i>Tape #</i> 033	18:00 min
On the Go: Forklift Safety Basic safety training for those working with and/or around forklifts.	<i>Tape #</i> 035	17:00 min
On Your Guard: Power Tool Safety Covers hazards associated with power tools and shows safe power tool use.	<i>Tape #</i> 034	13:00 min
Part of the Process-A Contractor's Guide to Process Safety Management	<i>Tape #</i> 065	14:05 min

To check out any of the listed videos, please contact the AGC of Iowa office. Videos are usually loaned for a period of two weeks, but arrangements can be made at time of loan for longer period.

Pave Your Way to Safety: Concrete Paving Safety Provides basic safety training to road construction workers exposed to concrete hazards.	<i>Tape #</i> 036	11:00 min
Play it Safe: An Overview of Crane Safety Highlights Basic Safety practices for crane operators, riggers and laborers working with and around cranes.	<i>Tape #</i> 037	15:00 min
Power Actuated Tool Safety	<i>Tape #</i> T-012	04:33 min
Preparing For The Process: OSHA's Inspections & Citations	<i>Tape #</i> 038	16:00 min
Q.E.D. Saliva Alcohol Testing: An Informative Video	<i>Tape #</i> 062	12:22 min
Recognizing Alcohol Abuse: A Supervisors Guide	<i>Tape #</i> 060	
Recognizing Drug Abuse: A Supervisors Guide	<i>Tape #</i> 061	
Safety Belts for Vehicle Safety	<i>Tape #</i> T-021	06:00 min
Safety With Crane Rigging	<i>Tape #</i> T-022	05:03 min
Safety: The Bottom Line Designed to show the value of sound safety programs and their economic benefits.	<i>Tape #</i> 040	20:00 min
Shake Hands With Danger	<i>Tape #</i> 041	23:00 min
Silica Exposure: It Can Leave you Breathless This video highlights the use of silica in the construction industry, its effects on the body and how workers can protect themselves from the hazards associated with silica exposure.	<i>Tape #</i> 076	13:00 min
Skid Steer Loader Safety	<i>Tape #</i> T-020	08:32 min
Sound Advice: Hearing Conservation on the Jobsite Safe work practices for proper hearing conservation on the jobsite.	<i>Tape #</i> 087	13:00 min

To check out any of the listed videos, please contact the AGC of Iowa office. Videos are usually loaned for a period of two weeks, but arrangements can be made at time of loan for longer period.

Step by Step: Job Safety Analysis	Tape # 053	15:00 min
Walks construction contractors and supervisors through a step-by-step process for identifying potential construction hazards.		
Success at the Top: Stairway & Ladder Safety for the Construction Ind	Tape # 042	17:00 min
Aids in meeting the training requirements outlined in the OSHA standard.		
Survival in Excavation: Safe Working Around Existing Utilities	Tape # 066	20:00 min
Describes everything that your excavator needs to know to get started safely and efficiently. Takes you from planning to job completion.		
Take Charge: Working Safely with Temporary Electricity	Tape # 043	18:00 min
Developed to train construction employees how to work safely around temporary electricity.		
Take the Lead on Lead	Tape # 044	17:30 min
Understanding OHSA's Lead Standard for Construction		
The Best Strategy - Personal Protective Equipment	Tape # 068	12:00 min
Instructs workers about personal protective equipment including equipment required by Fall Protection Standard. 1995		
The Best Strategy - Personal Protective Equipment (Spanish version)	Tape # 068S	12:00 min
Instructs workers about personal protective equipment including equipment required by Fall Protection Standard. 1995		
The Choice is Yours: An AGC Guide to Personal Protective Equipment	Tape # 046	12:30 min
The Road to Safety	Tape # 077	13:00 min
Overview of DOT Comm. Drug/Alcohol Tstng. Req. Educates contractors on new drug and alcohol testing req., trains employers on different protocol for proper drug & alcohol testing for workers, and explains training is req'd. for supervisors & workers.		
The Rules of the Game: Employee Safety Orientation	Tape # 047	14:31 min
The Sky's the Limit: Scissor & Aerial Platform Safety	Tape # 049	15:00 min
Highlights potential hazards associated with construction work performed on elevated platforms.		
The Winning Ticket: Housekeeping on the Jobsite	Tape # 048	13:00 min
Explains the dangers of working on cluttered job-sites.		
Think Again: Substance Abuse on the Job	Tape # 050	14:00 min
Presents the dangers of substance abuse on the job-site and how changes in employee behavior can be an early warning of substance abuse.		
Traffic Control Safety	Tape # T-013	05:35 min

To check out any of the listed videos, please contact the AGC of Iowa office. Videos are usually loaned for a period of two weeks, but arrangements can be made at time of loan for longer period.

Truck Driving Safety: I, II and III	<i>Tape #</i> 051	
Warning Signs	<i>Tape #</i> T-014	04:00 min
What Goes Up Must Come Down: Demolition Safety Describes the primary hazards associated with demolition operations and suggests ways that workers can protect themselves and the general public from these hazards.	<i>Tape #</i> 052	12:00 min
Working Around Carbon Monoxide	<i>Tape #</i> T-001	05:20 min
Working Around Construction Equipment Safely	<i>Tape #</i> T-015	05:05 min
Working Around High Voltage	<i>Tape #</i> T-016	06:00 min
Working Safely Around Explosives	<i>Tape #</i> T-017	07:55 min
Working Safely With Scaffolding	<i>Tape #</i> T-018	05:35 min

To check out any of the listed videos, please contact the AGC of Iowa office. Videos are usually loaned for a period of two weeks, but arrangements can be made at time of loan for longer period.
